

## To Whom It May Concern

My name is Guy Hallgath and I am the CEO of Panania Diggers Club located at 28 Childs Street, Panania, NSW.

Our club contracted with a builder to construct a new area adjacent to the existing premises. That area was partially internal and partially external and contained walls, glass panels, roller shutters, tiles, external timber decking, flower beds and carpet.

Andre Petrov and his company in my opinion did a good job in cleaning the newly built premises as a subcontractor for the builder.

I highly recommend Andre's services to any interested person or organisation.

I can be contacted subject to availability at the Club's reception desk number (02) 9774 1288.
